

Lake Louise Fire Department Equipment Wish List

Thank you for your interest in the Lake Louise Fire Department. We are a small but busy station that provides emergency response to anyone visiting Lake Louise and surrounding area who require our services. We do not charge for our services. We are grateful to those who are interested in supporting our capacity to help others via donations which will be put directly towards the equipment of your choice. This wish list has a variety of options to fit whatever amount you can donate. We can provide receipts however while we are working on become a charitable association at this time we are not.

If your donation is in memory of a friend or family member or a corporate donation, please let us know. We will be happy to ensure that the individual or organization is recognized as per your wishes.

Please contact us with any questions: (403) 522-2866
